12/1/86,

Dear Jack, I am delighted to hear the jump started &
goes on, on your decision to go into medicine
I am sure you are a good head & a human man. I hope you
should be a big success in the field. I think you
will find it very strong as a career.
I hope to see you before too long. I have been &
has been quite a while since I have seen you.
I am participating in a big success in the field.
I hope to see you before too long. I have been &
has been quite a while since I have seen you.
